Search Patents

[Advanced Patent Search](#)
[Google Patent Search Help](#)The following words are very common and were not included in your search: **a from with**. [\[details\]](#)**Patents**Patents **51 - 60** on **receiving a request from operating system with data processing system**. (0.05 seconds)**Sort by relevance** | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)**Systems, methods and computer program products for validating web content ...**

US Pat. 6684257 - Filed Oct 15, 1999 - International Business Machines Corporation
 ... BI means for **receiving** at the **data processing system** independently of the ...
 an identification of an **operating system** running on the pervasive ...

Data image management via emulation of non-volatile storage device

US Pat. 6477624 - Filed Oct 16, 2000 - Ondotek, Inc.
 ... **operating system** files, a correct image can be reloaded from retrieves the **data**
 ... **receiving** the read **request**, the **data processing** means deter- remote ...

Computer system including a computer which requests an access to a logical ...

US Pat. 5619690 - Filed Jun 21, 1994 - Hitachi, Ltd.
 When **receiving** the **request**, the file and buffer management means 13 in the OS 20
 ... the disk unit 29 for executing appropriate **data transfer processing**. ...

Multi-tier caching system

US Pat. 6732237 - Filed Aug 29, 2000 - Oracle International Corporation
 A method of caching **data** in a multi-tier caching **system**, comprising: **receiving**
 a first **data request** at a computer **system** having a memory; searching a first ...

Inter-processor communication method for transmitting data and processor ...

US Pat. 5386566 - Filed Mar 18, 1992 - Hitachi, Ltd.
 Calling the **operating system** by interruption (172 in FIG- ^3) ... to call the
operating sys- tern and **request** for the expansion of the **receiving** inter- ...

Challenge-response authentication and key exchange for a connectionless ...

US Pat. 6377691 - Filed Dec 9, 1996 - Microsoft Corporation
 A method in a **data processing system** for a client protocol component and a ...
 the client protocol component **receiving** a **request** for invoking a function of ...

Method and system for automated backup copy ordering in a time zero backup ...

US Pat. 5241670 - Filed Apr 20, 1992 - International Business Machines Corporation
 Upon **receiving** a **request** for a backup copy, execution of an application is ...
 1 may be provided in which each processor within the **data processing system** ...

System and method for translating file-level operations in a non-door-based ...

US Pat. 6601110 - Filed Mar 17, 1998 - Sun Microsystems, Inc.
 The method of claim 12, wherein the **data processing system** includes a door ...
system, comprising: a translator for **receiving** an operation **request** from a ...

System, apparatus, method and computer program product for processing ...

US Pat. 6633898 - Filed Jul 28, 1999 - Fujitsu Limited
 The Server #1 has a server daemon SD1 for **receiving** a **request** for connected ...

in an environment for execution of an **operating system** OS, and execute **data** ...

Virtual network file server

US Pat. 6356863 - Filed Jun 1, 1999

In this regard, in practice the server machine **receiving** such **request**, via its **operating system**, passes such **request** onto the virtual network file server, ...
